WINTER 2021

PROFILO – REBUILD COLLAGEN & REDUCE FINE LINES & WRINKLES

Profilo® is a stabilised injectable pure hyaluronic acid for the treatment of tissue remodelling and skin laxity.

Profilo® consists of one of the highest concentrations of hyaluronic acid (HA) available in any aesthetic product.

Hyaluronic acid is a naturally occurring substance, which is a major component of our skin and has a function in wound repair, hydration, and cell to cell communication.

Profilo® has been around since 2015, so it is a relatively new treatment, but has a low risk of complications backed by clinical studies.

Profilo® can be used all over the body but the most treated area is the face.

We use a specifically devised treatment technique

of injecting 5 Bio Aesthetic Points (BAP) each side to achieve the best results with minimal discomfort and risk.

Other possible treatment areas include:

- FACE
- NECK
- DÉCOLLETAGE
- ARMS AND ELBOWS
- HANDS
- KNEES

The appointment takes around 15 minutes and bio-remodelling can be achieved in just two to three treatment sessions. These are carried out four weeks apart. The effects last about six months, depending on your age and lifestyle.

A repeat appointment is recommended between three and six months to maintain the results.

PRACTICE HOURS

Monday	9.00am	8.00pm
Tuesday	9.00am	5.00pm
Wednesday	9.00am	5.00pm
Thursday	9.00am	5.00pm
Friday	9.00am	3.20pm

STAFF NEWS

DENTAL RECEPTIONIST OF THE YEAR!

We are delighted to announce that our amazing Receptionist Linda won Best Receptionist at The Dentistry Awards last month!

We were also finalists for Practice of the Year and Best Patient Care.

We are so thrilled just to be finalised for the awards, and to win one was amazing!

A Warm Welcome to Debbie

We would like to introduce you to our new Dentist – Debbie Bell.

Debbie qualified from King's College London in 2012 with a Dentistry BDS degree.

She also has a Psychology degree from Leeds University.

Debbie enjoys all aspects of general dentistry but has a particular interest in minimally invasive aesthetic dentistry.

She regularly attends postgraduate courses and has completed year long restorative and aesthetic dentistry courses with Paul Tipton and Chris Orr.

She also has a certificate in Endodontology (Chester University) and she is Invisalign accredited.

In her spare time she enjoys spending time with her friends and family and has 3 young children who keep her busy.

Some of our other awards

Christmas Opening Hours

We will be closing on Christmas Eve at 1pm and re-opening on Wednesday 29th December.

We will then be closed again on New Years Eve from 3:20pm and re-opening on Tuesday 4th of January.

However we are providing full emergency cover over the festive period.
