## Meet our Consultant Orthodontist: Dr. Natasha Wright

At Buckden Dental Practice, we're proud to offer our patients expert orthodontic care, led by Consultant Orthodontist Dr Natasha Wright.

With over 20 years of experience, Dr Wright is highly skilled in both traditional and aesthetic orthodontic solutions, making her

a trusted choice for patients and referring dentists alike.

Orthodontic treatment is not just about a beautiful smile. It improves oral health, prevents future dental issues, and alleviates jaw discomfort.

Whether you're looking for traditional braces or more discreet ceramic braces, our practice offers tailored solutions for every patient's needs.

Dr Wright's extensive background includes her work at Addenbrooke's and Guys & St Thomas' Hospitals, and her passion for teaching and specialist practice ensures top-quality care.

Early intervention in children can help prevent more serious dental issues from developing in the future.

With NHS criteria becoming stricter, many children will no longer qualify for NHS orthodontic treatment.

Addressing issues early can guide the jaw into a more favourable position, potentially eliminating the need for braces later on altogether.

For adult patients, orthodontic treatment can correct misalignments and bite issues that were not addressed in childhood.

Whether it's improving function or aesthetics, adult orthodontics offers the opportunity to enhance oral health at any age.

Our Orthodontist provides a range of options, ensuring that every patient can find a treatment plan that fits their lifestyle and needs.

## Free Smile Makeover Consultation

# St. Patrick's Day at the Practice!

This year, we had a fantastic time celebrating St. Patrick's Day, honoring our Principal Dentist, Dr. Georgina O'Callaghan's Irish heritage! The clinic was filled with festive spirit, as we embraced the occasion with plenty of green, laughter, and a touch of Irish charm.

Dr. O'Callaghan takes great pride in her roots, and it was wonderful to share in the celebrations with our team and patients. Thank you to everyone who joined in the fun—we loved seeing the smiles all around!

## Important Reminder!

Don't forget to pick up your interdental cleaning aids at reception during your next visit!

Cleaning those tricky areas is vital for a healthy smile!

We look forward to seeing you soon!

# Patient Testimonial

We love seeing the transformation in our patients' smiles!

The combination of invisible braces and teeth whitening has given many of our patients incredible results. With a straighter, whiter smile, they've gained a boost in confidence and love their new look!

## PRACTICE OPENING HOURS

Monday	9.00am	7.00pm
Tuesday	9.00am	5.00pm
Wednesday	9.00am	5.00pm
Thursday	9.00am	5.00pm
Friday	9.00am	3.20pm
Saturday	9.00am	1.00pm
