Affordable Private Dentistry with our Denplan Membership Plans

A payment plan that covers more than just your routine dental care

Patients registered with Denplan are enjoying the many benefits of the extensive cover the plan has to offer including supplementary 24 hour worldwide insurance cover.

Our dental plans allow you to spread the cost of your dental care through regular monthly direct debit payments, giving you complete piece of mind that your dental care is always covered. We have plans to suit all members of the family.

Our payment plans;

Denplan Care is a monthly dental payment plan which helps you pay for all your routine (check-ups, x-rays and hygiene visits) and restorative (crowns, bridges or fillings) dental care. The amount you pay per month depends on the condition of your oral

health and will be set by your dentist following an initial oral health assessment.

Denplan Essentials is a monthly dental payment plan which helps you pay for all your routine dental care such as check-ups, x-rays and hygiene visits. We also offer a 10% discount off any restorative (crowns, bridges or fillings) dental treatment. You can take up the dental plan without having an oral health assessment – prices start from £11.43 a month.

Denplan for Children is a monthly dental payment plan similar to Denplan Care. It includes all routine (check-ups, x-rays and hygiene visits) and restorative (extractions or fillings) dental care for your child. The plan is a fixed price of £9.99 a month for children under the age of 18 years.

PRACTICE HOURS

Monday	9.00am	8.00pm
Tuesday	9.00am	5.00pm
Wednesday	9.00am	5.00pm
Thursday	9.00am	5.00pm
Friday	9.00am	3.20pm
Saturday	9.00am	1.00pm
Sunday	Closed	

*Closed for Lunch Mon/Thurs - 1.30pm- 2.30pm
Saturdays & Evenings by Appointment*

EMERGENCY /OUT OF SURGERY HOURS

When the practice is closed please call the practice telephone number and a recorded message will give further information on how to access advice and treatment in the event of a dental emergency.

For a dental emergency outside of normal surgery hours, with the exception of Denplan members, a callout fee will be charged.

We must keep on protecting each other.

STAFF NEWS

Time Keeping

We have listened to your comments and continue to reorganize our appointment books so that we waste as little of your time as possible.

Unfortunately when an emergency patient attends with an abscess, lost crown or broken filling we often have no idea how long this may take.

Even routine treatment may take longer to complete than was originally planned, so occasionally we will run over, as we want to do our best for every patient.

We will always see anyone in pain as soon as possible, this may sometimes mean running late but for the patient in pain it is a blessing.

New Moonray 3D Printer!!

Huge thank you to Earl and David from Wrights Dental and Barry from KaVo Kerr for their time last week installing our new Moonray 3D Printer!!

We can now offer a complete in-house workflow for our implant patients, printing bespoke surgical guides planned from your CBCT and intra-oral scans for safe, predictable treatment.

Heidi's News

"I have some happy news to announce..... Rob, Sophia and I are expecting our second baby at the end of March!"

We didn't manage to resist finding out the gender this time and are happy to say we are having another little girl.

Sophia is looking forward to becoming a big sister.

I will be going on maternity leave at Christmas, but very much look forward to seeing you again when I return.

Whilst I am away I will be leaving your care in the very capable hands of Aishah. Aishah graduated with honours from the University of Sheffield in 2016 and since then has worked as both a hospital and general dentist.

Aishah is an empathetic and caring dentist and is very much looking forward to joining the Buckden team!
